

TRANSFER CREDIT/ENROLLMENT

I. APPROVED SCHOOLS

In accordance with District policies and regulations, credit earned from schools which conform to guidelines established by the Department of Education, North Central Association of Colleges and Secondary Schools, or the Waterloo Board of Education will be accepted and applied toward fulfillment of requirements for graduation.

II. NON-APPROVED SCHOOLS

Credits are not accepted from non-approved schools.

- A. Definition: For the purpose of this regulation, a non-approved school is defined as a school which does not meet the guidelines established by the Iowa Department of Education or, in the case of an out of state school, the appropriate regional accrediting association.
- B. Students who have attended non-approved high schools may enroll in the Waterloo Community School District subject to the same guidelines and requirements existing for other students.
