

## STUDENT FINES – FEES – CHARGES

The Board of Directors believes students should respect school district property and assist in its preservation for future use by others. Students may be assessed fines, charges, or fees for school supplies if applicable to the course and/or activity, for overdue school materials, or for misuse of school property. Students may purchase an activity card to attend extra-curricular events.

The Superintendent shall inform the Board of the dollar amount to be charged to students or others for fines, charges, or fees annually. Parents, guardians, or legal custodians of students meeting specific financial eligibility standards will be eligible for a waiver of students fees or a reduction of student fees based upon the request of the parent, guardian or legal custodian.

It shall be the responsibility of the Superintendent to develop administrative regulations regarding the policy.
