

ANIMALS IN THE CLASSROOM

Live animals will be allowed in school district facilities under special circumstances and only for an educational purpose. Permission from the principal will be required of anyone wishing to bring an animal into school district facilities. Appropriate supervision of animals is required when animals are brought into the school district facilities. Service animals will also require administrative approval for use and/or duration of use.

Bringing animals to the school or classroom for short term visit must follow all standards in the accompanying regulation and must be observed the entire time the animal is at school.

The person bringing the animal must furnish transportation for the animal brought to school. Animals will not be allowed to travel to and from the student's attendance center on the school bus without prior approval from the principal.

It is the responsibility of the principal to determine appropriate supervision of animals in the classroom.
