

Birthday Celebrations at Orange Elementary

**We celebrate birthdays in a healthy way at Orange Elementary!
Students will get to celebrate in the following ways...**

- Name announced on the morning announcements
- The classroom birthday recognitions will continue according to the teacher (birthday crown, sash, leadership jobs, etc.)
- Sharing of a non-food item or a healthy treat if you wish to bring something

What does this mean if my child wants to bring something for their birthday...

- We highly encourage non-food items for birthdays instead of treats! Examples are: pencils, bookmarks, stickers, etc.
- Treats can be brought in, but they **MUST** be a healthy treat. We will not allow **ANY** treats to be distributed that are not healthy. **They will be sent back home with the student per policy.**

****Please be mindful about our students' with food allergies!**
