

DISSEMINATION OF POLICY

The Board of Education shall develop and maintain a set of policies which provide a codification of its policy actions with the adoption date, the review date, and any revision date of each. The Board policy manual is available electronically on the District website (www.waterlooschools.org). Persons unable to access the policy manual electronically should contact the board secretary for assistance.

Copies of changes in board policy will also be included in or attached to the minutes of the meetings in which the final action was taken to adopt the new or changed policy.
