

WORK SESSIONS

The Board, as a decision-making body, is confronted with a continuing flow of concerns, issues and needs which require attention. While the Board is determined to expedite its business, it is also mindful of the importance of planning, brainstorming and thoughtful discussion without action. Therefore, the Board may schedule work sessions and retreats in order to provide its members and the administration with such opportunities. The Board has the authority to hire an outside facilitator to assist them in work session, if so desired.

Topics for discussion and study will be announced publicly, and work sessions and retreats will be conducted in open session with public notice provided at least 24 hours in advance of the meeting. No Board action will take place at a work session.
