

SCHOOL BOARD CONFERENCES, CONVENTIONS, AND WORKSHOPS

The Board of Education encourages the participation of its members at appropriate school board conferences, workshops, and conventions whether state or national. In order to manage both the investment of time and funds necessary to implement this policy, the Board establishes these procedures for its guidance.

1. The Board of Education will determine which activities appear most promising in terms of producing direct and indirect benefits to the District and approve participation by its members accordingly.
2. Reimbursement to Board members for their expenses incurred while attending an approved activity will be consistent with travel expenses for staff members (as outlined in [Policy 409.32-R](#) (*Procedures Governing Non-Local Expenses and Reimbursement for Employees*)).
3. Board members participating in an activity not attended by the full Board are encouraged to report on information, recommendations, and materials acquired at the activity during a regularly scheduled meeting of the Board of Education.
