

SCHOOL ATTENDANCE AREAS

A student shall be living within the geographical boundaries of an attendance district if the student is actually residing:

1. with both parents or with the parent given physical placement of the pupil by a court of law; or
2. with the guardian as appointed in accordance with Iowa Code 633.552, et. seq., and legal documentation must be on file; or
3. with any person as approved by the Executive Director of Student & At-Risk Services who shall consider the criteria established; the reason for the pupil choosing the particular place of abode; and the best interests of the pupil and the district.
4. within the school district with someone other than a parent or guardian (approved Remission of Tuition).
