CREDIT/NO CREDIT OPTION

A high school student wishing to receive credit/no credit for a subject must:

1. be enrolled in at least 6 courses, excluding physical education.
2. have prior written approval of the student's parent/guardian and counselor,
3. make a final determination, no later than the end of the sixth week, to either continue in the course on a credit/no credit basis or take a letter grade. A credit/no credit form must be turned in to the guidance office by the end of the sixth week.
4. complete all work required in the subject of students under the regular grading system.

The credit/no credit option is not available for required core classes. Core classes are defined as academic subjects in the areas of English, science, mathematics, and social studies. Required courses in the non-academic areas as well as electives may be taken credit/no credit.

Students will have the opportunity of choosing one course per semester as credit/no credit, however no more than four (4) credit/no credit credits may be taken over the four-year high school career. A no credit will be recorded as "No Credit" and will not result in a penalty to the student's grade point average.
