

# Cover Up

**Materials:** *Cover Up* game boards (one per player), a die, and tokens to cover squares

**Objective:** To be the first person to cover up all the spaces on your board.

## To Play:

1. Players each take one *Cover Up* board.
2. Players decide who will go first.
3. Players take turns rolling the die and counting the number of dots on the die. Players take that many tokens and placing them on their boards, one token in each space.
4. The game ends when every space on one player's board is covered. That player is the winner.
